

WADSWORTH YOUTH FOOTBALL CONCUSSION BASELINE DAYS

Performance Evaluation Group in cooperation with Wadsworth Youth Football August 11th @ Franklin Elementary will be introducing a New “movement based” concussion & athletic performance baseline evaluation for our youth athletes as young as 8 years old.

This *fun*, 15 minute, technology driven, 3D simulator provides a snapshot of where your athlete is prior to any injury or concussion. This objective information is an additional tool that may be used by your doctor to compare your athletes performance before & after an injury or concussion. This baseline information gives your doctor a better understanding of when to safely return your athlete back to play from a concussion or injury.

Your Athlete May Recover Sooner & Safer From An Injury or Concussion Because They Have A “Movement” Baseline!

Where: Franklin Elementary Gymnasium
When: August 11
Time: 5PM-9PM
Cost: Special Wadsworth Group Rate \$45.00 (Regular \$69.00)

*The movement baseline screening provided by Performance Evaluation Group, LLC may qualify and be deductible as a medical care expense and utilized under your Health Savings Account (HSA) or Flex Spend Account.
