WADSWORTH YOUTH FOOTBALL SCHOLARSHIP

Letter of Reference: 2013 Recipient Matt Alic

In regards to the Youth Football Scholarship,

Receiving the Youth Football Scholarship was one of the greatest honors I have ever received. It meant so much to me to be recognized by such a great program in the city of Wadsworth, especially because playing football is something I have treasured my entire life. The great people who run this organization put an amazing reception dinner together and even had Butch Reynolds come talk about his inspirational journey. Being there that night brought back all the memories of those Saturday afternoon football games and how much I miss that part of my life. It also gave me, and other leaders, an opportunity to speak to the youth of our community in hoping that we lead them on the right path and help them create their own memories. This is the start of a great tradition and something that Wadsworth will become known for in the future. I hope future recipients enjoy it as much as I did.

Feel free to use any parts of this that you wish.

Thanks again!

Matt Alic

My wife and I are chiropractors in Wadsworth, and we decided to be a sponsor for the Wadsworth Youth Football banquet last year. This was the first year we had been sponsors, and based on our first experience at the banquet, we will continue to be sponsors.

The banquet was well-organized, professional, and a lot of fun!. I connected with other businesses, and listened to an amazing runner and speaker, Butch Reynolds.

This banquet is only going to get better, and I highly recommend being a sponsor. It's a great way to improve the community, connect with other businesses, and contribute to a great scholarship program.
